

Let ICI create a Logitech and Google Meet meeting place with one-touch join, always-on readiness, and center of room control.

Our Room Solutions for Google Meet include everything you need for video meetings. Available in small, medium, and large configurations, these systems include a Logitech conferencecam, Chromebox mount with cable retention, and the Logitech Tap touch controller.

Special Offer for MiCTA Members!
For a limited time purchase any conference room solution and receive 1 hour of phone set-up support from ICI Technical Services at no additional cost!

Additional equipment and on-site installation optional and extra, call ICI for pricing.
