

Let ICI create a Logitech Tap room solution with calendar integration, touch-to-join, instant content sharing, and always-on readiness. Pre-configured with room-optimized software from Google, Microsoft, or Zoom.

SMALL ROOMS	MEDIUM ROOMS	LARGE ROOMS
<p>Designed for smaller conference rooms, the small configuration minimizes cabling and saves space with Logitech MeetUp that mounts above or below a display.</p>	<p>The medium configuration features Logitech Rally, a premium conferencecam that pairs an advanced ultra-HD camera with modular audio that scales to support a wide range of rooms.</p>	<p>The large configuration upgrades to Rally Plus with two speakers for clear audio. Dual mic pods expand coverage for up to 16 people, and supports up to 7 mic pods for rooms with up to 46 seats.</p>

Special Offer for MiCTA Members!

For a limited time purchase any conference room solution and receive 1 hour of phone set-up support from ICI Technical Services at no additional cost!

Additional equipment and on-site installation optional and extra, call ICI for pricing.
