

Logitech / Microsoft / Skype ROOM SOLUTIONS

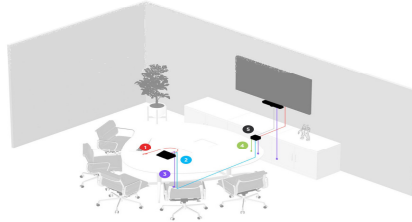

Let ICI create a Teams meeting place with one-touch join, easy content sharing, and center of room control for Microsoft Teams and Skype.

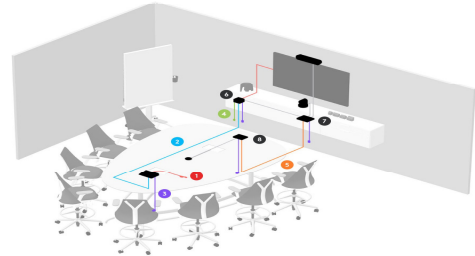

SMALL ROOMS

MEDIUM ROOMS

LARGE ROOMS

Our Microsoft Teams rooms include everything you need for video meetings. Available in small, medium, and large configurations, these systems include a mini PC, Logitech conferencecam with RightSense, PC mount with cable retention, and Logitech Tap touch controller.

Special Offer for MiCTA Members!

For a limited time purchase any conference room solution and receive 1 hour of phone set-up support from ICI Technical Services at no additional cost!

Additional equipment and on-site installation optional and extra, call ICI for pricing.

Call us and see how ICI can help you!
